

Katie Pipes: Helix Dance Director

Katie Pipes hails from Modesto, California where she began dancing at the age of seven. She studied Cecchetti Ballet for eleven years while taking Jazz and Tap in her youth under the instruction of Miss Debbie Holtzclaw. She continued dancing throughout her youth and into high school.

She began choreographing and teaching dance at her local studio throughout high school and this is where she further developed her passion for dance. Mrs. Pipes continued to dance at the University of California, Santa Barbara in 2000 under the guidance of Valerie Houston and Christopher Pilafian. From 2000-2004 she danced in several dance companies, including Pulse Dance Ensemble and Blueprint Dance Company, both contemporary dance companies based out of the Sacramento area.

Today, Katie has been teaching dance at Helix Charter High School since 2007 and she is directing her eighteenth dance production with Helix Dance.

Most recently, Mrs. Pipes received her Master of Arts in Dance at California State University, Long Beach in early 2014.

Katie is also the artistic director and founder of her contemporary dance company, KO Dance Co. KO Dance Co performs throughout the San Diego community.

Mrs. Pipes loves being able to share her passion for dance with her students and the community.

About Helix Dance

Helix Dance is under the direction of Katie O'Rourke. Since 2007 Miss O'Rourke has been in the process of building the dance program at Helix and in the La Mesa community. Helix High School currently offers beginning, intermediate, and advanced dance classes. In addition to daily dance classes, Helix Dance has two major dance productions each year: the Winter Dance Concert and the Spring Dance Concert. More recently, we have been producing a third annual performance in March/April in collaboration with Visionary Dance Theatre (VDT). VDT is under the direction of Spencer John Powell, a dynamic and well-respected choreographer and studio owner in La Mesa. Mr. Powell and his professional company members continue to do several outreach projects with the dancers each year. Miss O'Rourke and the dancers are so grateful to have professional community members working with the dance program, helping the student dancers to appreciate the performing arts and become better at their passion and craft.

Please visit our website below for all upcoming performances and up-to-date information regarding the Helix Dance program at Helix Charter High School.
